

**January 2025 Devotional by Dr. Wilfred Graves Jr.**

**DAY 3 – NEW BEGINNINGS**

**Scriptures:** Isaiah 43:18-19; 2 Corinthians 5:17

**Prayer Focus:** Pray for God’s wisdom and grace to leave the past behind and embrace a new beginning.

**Devotional Thought:**

God specializes in making all things new. Whether you’re carrying baggage from last year or stepping into a new season, trust that God is doing a new thing in your life. He can redeem, restore, and renew. As you follow Him, you will see streams of His provision and guidance in the dry places of your life. Let go of the old and take hold of the new work He’s doing in you this year.

**Practical Moment:**

Reflect on areas of your life where you need a fresh start. Write a prayer committing those areas to God and thanking Him for the new beginning He provides.
