

DAY 16 – PRACTICING EVANGELISM

Scriptures

Matthew 9:37-38; 28:18-20

Prayer Focus

Pray for people to accept Jesus as Lord and Savior.

Devotional Thought

To witness (or evangelize) is to share the good news of salvation. The task of witnessing is not just for preachers and church leaders, but for everyone whose life has been changed by the Lord Jesus Christ. You can witness on your job, at your school, in your neighborhood, or wherever you come into contact with people who need to hear a message of hope.

Practical Moment

Ask God to save your unsaved loved ones and friends. Create a list of people who need to accept Jesus as Lord. Also, begin inviting people to church each week. Some of them will be touched by the preached Word and will make a public declaration of faith. Others will continue to watch your life and will eventually be drawn to Christ by your love and example.
