

January 2025 Devotional by Dr. Wilfred Graves Jr.

DAY 5 – LIVING WITH EXPECTATION

Scriptures: Habakkuk 2:2-3; Romans 8:28

Prayer Focus: Ask God to give you hope and confidence in His promises.

Devotional Thought:

God calls us to live with expectation and faith in His promises. Even when circumstances seem uncertain, trust that He is working all things together for good. Your hope in God fuels your perseverance and keeps you moving forward. This year, hold fast to His promises and remain steadfast, knowing that His timing is perfect.

Practical Moment:

Write down one promise from Scripture that encourages you. Post it somewhere visible and reflect on it throughout the week.
