### **Scriptures**

Isaiah 43:19; Lamentations 3:22-24; Revelation 21:5

### **Prayer Focus**

Ask God to reveal himself to you in new, fresh, and powerful ways.

### **Devotional Thought**

The start of each new year is a great time for prayer and self-reflection. Who do you want to become this year? What are your spiritual goals, and do you have a plan to reach these goals? The best time to gain a new lease on life is right now. As you focus on the theme of “new beginnings,” make a conscious decision today to place yourself in God’s hands, to receive his love and power, to seek his wisdom and guidance, and to obey his holy commands. Your life will never be the same. May 2024 be the best year ever in your walk with the Lord.

### **Practical Moment**

With your family members (or with a group of friends), discuss some of your goals and objectives for 2024. Pray together about what is God has placed on your heart.
