

DAY 11 – GOD’S PLANS

Scriptures

Psalm 33:11; Jeremiah 29:11-13

Prayer Focus

Pray to discover God’s plans and walk in God’s good purposes.

Devotional Thought

God orders the steps of the righteous (Psalm 37:23-24). To discover God’s will and plans for our lives, we must spend quality time with him in Bible-reading and prayer. We also need to join a healthy community of believers where we can experience spiritual growth and learn from others with more wisdom than we have. God’s will and plans may be different from what you want to do, so don’t expect him to rubberstamp everything you desire. As you walk before God with humility and openness, he will lead you to the destination he has ordained for you.

Practical Moment

Re-read the devotional content from yesterday on wisdom and faith along with today’s topic on God’s plans and pray this simple prayer:

“Dear God, I ask you to fill me with divine wisdom. Please help me to discover your plans for my life and walk in your good purposes. Forgive me for the times when I have gone my own way instead of obeying you and help me to be sensitive to the leading of the Holy Spirit in all things. In the name of the Lord Jesus Christ, I pray. Amen.”
