DAY 19 – SERVING OTHERS IN HUMILITY

Scriptures: Philippians 2:3-8; Galatians 5:13

Prayer Focus: Pray for a heart to serve with humility and love.

Devotional Thought:

Jesus set the ultimate example of servant leadership by humbling Himself to serve others. Following His example means putting the needs of others before your own and serving with a pure heart. This year, look for opportunities to bless others, not for recognition but to glorify God.

Practical Moment:

Identify one way you can serve your church or community this week. Whether big or small, let your act of service be done with joy and humility.
