

## **DAY 2 – WORSHIPING GOD**

### **Scriptures**

Nehemiah 9:5-6; Psalm 145

### **Prayer Focus**

Worship God because he is great and worthy of all glory, honor, and praise.

### **Devotional Thought**

To worship is to adore, serve, and devote oneself completely to God. God is worthy of our worship (Revelation 4:11). He is wonderful, awesome, and great. He deserves both our reverence and enthusiasm (Hebrews 12:28; Psalm 100:1-2). We should worship God because we value him more than anything else. As we worship him in spirit and in truth, we become more like him in our character and actions, and we also fulfill the purpose for which we were created (John 4:24). Your life will become more meaningful, joyful, and fulfilling as you give God the glory, honor, and praise he deserves.

### **Practical Moment**

Take some time right now to worship God with a song, an uplifted hand, or an expression of thanks. You and your loved ones can even have an impromptu worship service. Use your creativity and pour out your heart to God. He is worthy.
