

## **DAY 23 – PRAYING FOR SINGLES**

Colossians 2:10; Philippians 4:19; Jeremiah 31:3; 1 Corinthians 13

### **Prayer Focus**

Pray for wisdom and for Christ to meet every need.

### **Devotional Thought**

Let us take a moment to offer prayers for unmarried individuals. May they find fulfillment and purpose in their lives, and may their journeys be filled with meaningful connections, personal growth, and joy. May those seeking companionship find supportive and loving relationships when the time is right. May unmarried individuals experience the freedom to pursue their dreams, build strong connections with friends and family, and discover fulfillment in their personal and professional pursuits. Let us pray for a world where everyone feels valued and supported in their unique paths.

### **Practical Moment**

- Take time to pray for your single friends and loved ones.
- Ask God to bless all singles in your local church.
- If you are unmarried and desire to be married:
  - Ask God for a spouse who loves him and loves you.
  - Ask God to prepare you and your future spouse spiritually, emotionally, and physically for marriage.

Pray to be satisfied with your relationship with Christ until he blesses you with a spouse.
