

January 2025 Devotional by Dr. Wilfred Graves Jr.

DAY 21 – ABUNDANT LIVING

Scriptures: John 10:10; Ephesians 3:20

Prayer Focus: Pray for a life filled with God’s presence, power, and purpose.

Devotional Thought:

God’s desire is for you to live an abundant life, not in material wealth alone, but in spiritual richness, joy, and purpose. His power working in you can accomplish far more than you can imagine. This year, let your faith rise as you believe in His ability to do the extraordinary. Live in anticipation of His goodness and let His abundance overflow into every area of your life.

Practical Moment:

Spend time reflecting on Ephesians 3:20. Write down your hopes and dreams for the year, then pray boldly for God to do exceedingly and abundantly more than you can ask or imagine.
